Safety Information

Hereby, Polaroid Corporation declares that this Instant Mobile Printer is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC. 

**PCB WARNING**
Changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

**WARNING**
This equipment generates, uses, and can radiate radio frequency energy. If not installed and used in accordance with the instruction, it may cause interference to radio communications. 

**NOTE**
The computer equipment with the FCC emission standard must be in accordance with the instruction and can be used in all areas. It is important to ensure all applications and future device can be used.

**CAUTION**
RISK OF EXPLODING IF BATTERY IS REPLACED BY AN INCORRECT TYPE. 

**BATTERY WARNINGS**
1. Use only the provided charger with this product. 
2. Only charge the battery as recommended by the instructions. 
3. This product is intended for use with this product only. 
4. Prolonged use of the printer will result in the battery becoming warm.

**Troubleshooting**

<table>
<thead>
<tr>
<th>PROBLEM</th>
<th>SOLUTION</th>
</tr>
</thead>
<tbody>
<tr>
<td>The photo has streaks</td>
<td>DO NOT: • Send another image to be printed.</td>
</tr>
<tr>
<td>The photo has streaks (nothing has been ejected)</td>
<td>• Send another image to be printed.</td>
</tr>
<tr>
<td>The paper jammed before printing</td>
<td>DO: • Open paper tray door. • Check to see if there is paper in the tray. • If so, ensure the paper is loaded correctly. • If not, add a new pack of Polaroid ZINK Photo Paper.</td>
</tr>
<tr>
<td>If all else fails...</td>
<td>DO: • Open the printer, remove the paper tray door and remove the media. • Place one sheet of photo paper upside down (with the watermark facing up) in the paper tray door latch slot. Close the paper tray door. The sheet of photo paper will automatically eject. Open the paper tray door and reload the photo paper.</td>
</tr>
</tbody>
</table>

**Installing the Battery**

1. Battery cover: 
   - 1. Remove the battery cover.
   - 2. Insert the battery.
   - 3. Replace the battery cover.

**Installing Polaroid ZINK Photo Paper™**

1. Paper into the printer. Make sure the ZINK Smart Sheet™ is placed facedown. Close the printer tray door. The ZINK Smart Sheet will automatically eject.

**Printing: Camera Cell Phone**

To print from your cell phone:

1. Select the image you would like to print from the stored images.
2. Press and hold the POWER button to turn on the printer.
3. Follow the on-screen instructions to print.

**Printing: Digital Camera**

1. Connect your digital camera and printer to determine if a print option or printer icon is automatically displayed on the camera screen.
2. Once PictBridge is enabled, select the image you want to print and follow the on-screen instructions to print.

**Passcode:** 6-0-0-0
